Notice to Parents:

During this COVID-19 event, many families and businesses are experiencing tremendous hardships. New information comes in hour by hour and it's changing our operation day by day. What was fine and worked last week is no longer the case today and possible tomorrow. OCFS is encouraging innovative and entrepreneurial thinking to work together to get through this crisis.

We are having to address "**holding a spot for your child(ren)**" when this event ends, and things get back to "normal". I'm sure the new normal will be quite different.

**While a Child is Absent:**

To hold this spot for your child at Watch Me Grow Daycare Center, we will cut your weekly rate in half.

This will allow us to continue paying the mortgage, insurances, and other daily operating expenses during this crisis.

As this crisis changes, so too will our policy evolve. Any questions, concerns, and/or additional hardships on you, feel free to call us and to the best of our ability, try to answer your question(s) as best as possible. We are family and in this together.

Sincerely,

Chris & Maryanne Hanley
