

National Teacher Appreciation Week is the week of
May 5th-May 9th.

Please join us in showing our appreciation to the
very wonderful and talented faculty who care for
and teach your children each and every day!

We are proud of our faculty and think they are
second to none! They are very dedicated to
providing the highest quality care to the children at
our center and devote a lot of time and effort to
ensure that each child is made to feel special.

They strive to provide a secure, warm, and living
environment for your child to learn, play, and grow!
