

Walking in the Winter Wonderland

With the colder weather soon approaching, please make sure your child has a change of weather-appropriate clothes!

Also, your child will be enjoying the great, white outdoors throughout the colder months. Please make sure that they have a warm coat, hat, mittens, boots, and snow pants in their cubby.

They will be making snowmen, snow angels, and snow balls! They'll also be painting the snow and "walking in the winter wonderland"!
